Council Adopts 1945-46 Budget

Extend Time On 7th War Loan To Include July 7

Chairman Walter Lehigh of the Daly City 7th War Loan drive states that he has been informed that all sales of bonds to and including July 7 may be included in the current drive. Officially the drives ends June 30 but this extension of time has been granted.

Total sales reported for Daly City to and including June 25 amounted to $138,417.50 of which $96,644.50 was in "E" bonds. Chairman John Ferrari reported that Colma had oversubscribed their quota. Total sales amounted to $95,825.25 of which $58,531.25 was in "E" bonds. The quota assigned to Colma is $95,200.

Sheriff's Office Makes Arrest In Robbery Case

Suspicions of F. P. Faust, proprietor of the Southern Kitchen, located at the junction of Junipero Serra boulevard and El Camino Real, south of Colma, and sharp eyes of three neighboring children, solved the robbery of that place last week within a few hours after the crime had been committed.

The place was entered some time during the weekend of June 17, and $3776 removed from the safe, Tuesday night, June 19, suspicious actions of Robert Ragland, colored shipyard employee, and a former employee at the Southern Kitchen, attracted Faust's attentions. The latter immediately summoned San Mateo County Deputy Sheriff Robert Lynch of Colma, and the latter in turn notified the Sheriff's office, with Chief Deputy Sheriff Walter Moore, and Deputy Sheriff Milton Minnehan speeding to the scene from Redwood City.

Placing Ragland under arrest, the deputies and Faust took him to his room at 1719 Post street, San Francisco, where they found $472 in a suitcase. Ragland had a $20 roll of half dollars in his pocket when arrested, the deputies said.

While the deputies were being summoned, Mrs. Judith Bettencourt, resident of a nearby auto court, told Faust her three young daughters had found $897.58 in machine wrapped money underneath some bushes near the court. This money was scattered over the ground, with no apparent attempt having been made to bury it.

Still to be recovered are $2400 in cash, a watch and chain, and 29 bottles of whiskey, also stolen in the robbery.

Arraigned before Judge R. A. Rapsey in South San Francisco last Saturday morning, Ragland pleaded not guilty, and absolutely refused to talk. Judge Rapsey set Ragland's bail at $5000 cash or $10,000 bond and announced preliminary hearing to be held Thursday morning, June 28 at 10 a. m.

Fish Too Elusive For Water Supt.

"Where are all THOSE fish?"

That is the question being fired at Arthur J. Bodien, superintendent of the Daly City Water Works, by friends and fellow employees this week.

Bodien returned to his office Monday, after spending a week's vacation at his cabin at Black Point, near Novato in Marin county.

Although the weather was perfect for fishing during the seven days, Bodien didn't succeed in enticing any of the finny tribe on to his hook, in fact didn't even get a nibble, fellow vacationers reported.

Famed Tarawa Hero Watches Marine Nine in Game Here

Daly City was the host of one of America's fighting generals Wednesday.

Major General Julian C. Smith, who led the Marines in their bloody battle at Tarawa, attended Wednesday's baseball game at Marchbanks park when the San Francisco U. S. Marines defeated the Oakland Naval Supply nine 6 to 0.

General Smith was accompanied by Brigadier General Arnold W. Jacobsen, Marine commandant in the Bay area.

The Tarawa hero interestedly watched the entire game, asking the past history of every Marine player and by his comments on various plays throughout the contest, showed a fine knowledge of baseball strategy. He was particularly interested in the play of several members of the Marine club who have already served a hitch overseas.

Thirty-six Men Face Induction

Mrs. Isabelle Flynn, chief clerk at Daly City Draft Board No. 103 announces that four dates for induction or physical examinations have been announced by Selective Service headquarters.

Thirty-six men will be called for induction for general military service on July 30. One the same day three men will be called for limited service. These will be comprised of 4-F's who have been reprocessed. The July 12 call will be for physical examinations for 10 men, 4-F's that the local board thinks might qualify at this time. July 27, 48 men will be called for physical examinations.

Legion Auxiliary At Service Club

The American Legion auxiliary will take over hostess duties at the Daly City Servicemen's club, 6201 Mission street, commencing Sunday, July 1.

Two County Fires Thought to be Incendiary Type

Local officials are keeping their eyes peeled nowadays, since receiving reports that two grass fires in the southern part of the county, and extinguished by men from the San Mateo County Forest Service Sunday, June 10, were incendiaries.

These two fires, discovered at 7:30 p. m. Sunday, a mile apart, were set by matches bundled together and ignited, County Fire Warden Bert L. Werder said.

Woodside firemen helped in extinguishing one of the fires. This one, the biggest of the two, and located near the county water temple burned to a firebreak before it could be brought under control.

Three Pay Heavy Fines at Traffic Court

Fifty dollars was the largest fine meted out at city court session Friday, June 22, by Judge William J. Sweeney. It was paid by Melvin Stephens, 1365 Noe street, San Francisco, found guilty of drunk driving. Robert Vierra paid $25 for disturbing the peace and $25 was paid by Joseph Dino Tognoli for violation of pistol registration law. For being drunk in a public place, Manuel Faria paid $10.

All other fines were for traffic violations. Thomas Fitzgerald paid $2.50 for being parked in a prohibited place; F. Olsen, $2.50 for disregarding a signal; Allen Pettigrew, $5 for speeding and Naomi Willmes, $5 for speeding.

S. R. Flowers paid $2 for overnight parking and for the same offense each of the following paid $1. R. Bizzo, R. H. Dowe, A. H. Grace, J. Hendon, J. W. Hickey, E. W. Johnson, Mr. Lamendola, Mr. Phelan, E. Tepper and William Tylenda.

CITY EMPLOYEES ARE GIVEN SALARY BOOSTS

Daly City's budget for the year 1945-46 will be $184,781, an increase of more than $25,000 over the budget for the year 1944-45. Meeting in regular session Monday night, Daly City councilmen unanimously adopted the budget proposed by Mayor A. J. Gaggero, after the mayor explained in his letter of transmittal that the increased budget was due to increased bonuses for city employees; provision for a new well at the city water department's plant on Niantic avenue, at an estimated cost of $6,000 and a sum of $5,000 set aside for contingencies that may arise, and that are not taken care of in other funds.

Bonuses for city employees will be increased from $10 to $30 a month in order to provide for rising living costs. However, this increase will apply only to full-time workers, and not to newly appointed employees, during their six months probationary period nor to part-time employees.

Broken down, the new budget includes the following items:

General administration — $12,430; City Clerk-Assessor-Tax Collector—$6,140; City Treasurer—$1,212; City Attorney — $1,560; City Judge—$2,685; Office of City Engineer—$100; Office of City Purchasing Agent—$640; City Hall and grounds upkeep—$3,940; Police Department — $40,925; City Pound—$3,000; Fire Department —$3,654; Fire Protection Fund—$6,000; Parks and Playgrounds—$9,550; Street and Sewers—$23,710; Traffic Signals and Fire Alarm Boxes—$2,110; City Library —$5,690; Municipal Water Works —Operation and Maintenance — $47,100; Municipal Water Works, collection department — $5,555; Municipal Bonds and Interest—$8,780.

The new budget was adopted as resolution 877, by a unanimous vote of the councilmen present. Councilman Eugene V. Lynch was the only absentee.

Fire Breaks Out In Rear of Kusber Bros. Plant

Coming as a welcome relief after the strenuous seven days previous, only three fires engaged the attention of Daly City departments, the past seven days.

One of the three was a grass fire—the other two were brought under control in short order.

Probably most serious of the trio, was a fire in the rear of the Kusber Bros.-Page defense plant in the old Smith Lumber Yard building at the intersection of Mission street and Hillside boulevard Sunday afternoon, June 24 at 1:18.

The fire started in a rubbish pile and spread from there to a truck parked nearby raising considerable smoke. Two alarms came in, one from box 39 and the other from box 33. Companies 1, 2, 4 and 6 responded and extinguished the blaze in a few minutes with only slight damage to the truck.

The blaze created considerable excitement in the "top of the hill" business area, many persons believing it to be the gas station at the Mission-Hillside intersection that was on fire.

Sunday morning at 10:45, Companies 1 and 2 responded to an alarm from box 31, extinguished a small but dangerous fire at the home of Ellen Erickson, 169 South Parkview.

Some paraffine heating on the stove set fire to the window shade, and the blaze spread to the casing around the window. Firemen succeeded in quelling it in approximately 15 minutes after their arrival.

Third of last week's alarms was for a grass fire at the end of Shakespeare street, the alarm turned in from box 18 on Shakespeare street, at 2:08 p. m. Friday afternoon, June 22. Companies 1 and 4 responded and had little trouble in putting out the blaze.

Atherton Police Tussle With Badger

Daly City police may have their troubles, but they still had time for a quiet chuckle at their "brothers" of the Atherton department this week. Members of the latter department now have a real, live badger as their guest.

Called to Ed Perry's place on El Camino Real last Saturday, Atherton police found the badger in a hay stack, and after considerable effort managed to root it out, corner it and lasso it. What they're going to do with it, now they've got it, is puzzling the southern county guardians of the law.

During Past Week Street Car and Truck Collide

A Number 40 interurban car, and a Dodge pickup truck, driven by Guiseppe Nano, of 25-2nd avenue, Colma, were involved in an accident at the intersection of Mission and School streets, Thursday, June 21, at 4:32 p. m., the only accident of this type reported to the local police department during the past week.

Moses Willard, of 25 Gladys street, San Francisco was motorman of the 40 car. No one was hurt in the accident and only slight damage was sustained by the truck.

Judge Cotton Will Impanel New Grand Jury

Superior Court Judge A. R. Cotton of San Mateo county is now impanelling a county grand jury and expects to have it completed in the next ten days or two weeks.

Judge Cotton last week said he was working on a panel of 30 names, from which he expected to secure ten jury members and a foreman. There has been no county grand jury since early this year, when Judge Maxwell McNutt dismissed the one then in service.

Judge Cotton would not directly indicate what specific instructions he would give the new jury, but it was believed he would instruct it to investigate reports of widespread gambling in the county.

The 1944 grand jury recommended succeeding juries keep an alert eye on the Department of Public Health and Welfare, the county hospital and other welfare institutions; that a limit be placed on the emergency purchasing powers of the controller and treasurer; that there be more floor space in the county library in accordance with the increased population of the county; and that an automobile be placed at disposal of the county librarian.

Joseph L. Sarto, proprietor of Villa Sanitarium in Daly City, is one of 30 San Mateo men and women whose names have been drawn on a panel from which Superior Judge Aylette R. Cotton has indicated he will select a grand jury Monday afternoon of next week.

WELCOME BACK, GOLD MINING!

Gold mining again becomes a possibility in California with the lifting of War Production Board L-208. Whether there will be any immediate resumption of minging depends on whether operators can solve the perplexing wage problems with which they will immediately be confronted.

In any event, restoration of the right to mine gold is good news to all Californians. It means that, ultimately, many Northern and Central California counties and communities will be back in business producing new wealth for the world.

Whether the WPB order L-208 achieved its purpose of diverting workers and materials to the mining of metals rated higher on the list of critically needed war supplies is very much in doubt. But there is no question that gold mining is an old and important part of our California economy.

It will play an increasingly important part when we begin reconverting to peace-time economy. For then it will provide jobs, directly and indirectly, for many thousands of workers. We are happy to welcome gold mining back to California where it belongs.

FOURTH OF JULY

Fourth of July is traditionally a day for speeches, parades, fireworks and flag displays. Before this war broke out we used the occasion to extol the courage and achievement of the founders of our Republic and the men who have defended it down through the years.

Basically, that pattern is unchanged. We still make speeches, have parades and fireworks, and display the Flag. We still pay homage to the Founding Fathers and to the heroes of the Nation.

But all that the Fourth of July stands for has been brought much closer to our hearts in recent years. Today we talk not only of the brave men of history, but of today—our sons and brothers and husbands and fathers. Their achievements and sacrifices in connection with the task of preserving the ideals upon which our Nation was established, fill us with immeasurable pride.

Their efforts have crushed one great enemy of mankind and are now being directed toward the other. That they will succeed as gloriously in the Pacific as they did in Europe we have no doubt. But we must not forget that the task is not their's alone. All of us must help to carry the burden of war. Victory cannot be achieved on the battlefield without the unfaltering, unstinting support of the people at home.

The love of liberty, the determination to live as free men—the spirit which inspired the patriots of 1776—surges in the breasts of our fighting men today. They have pledged their " . . . Lives . . . and . . . sacred Honor" to the defense of America and the principles for which it stands.

Their unselfish devotion has written new chapters in the history of our country and added glory to the Glorious Fourth of July.

GENERAL "IKE"

Few military leaders in American history have stirred the imagination of the American people or gained their affection to the extent that General Eisenhower has.

It is somewhat startling now to realize that barely three years ago this unassuming military genius was unknown to the general public. From a desk job in Washington he was transferred to the European theatre of operations in April 1942.

Even after he was raised to the rank of full general and placed in the top post in that area he was still a stranger to Americans.

In November 1942 the North African campaign began. His masterful handling of that invasion awakened everyone to the realization that Dwight Eisenhower was no ordinary soldier. The successful attacks on Sicily and Italy that followed added to his prestige as a leader of unusual ability.

Dwight Eisenhower proved that he was not only a keen strategist but an able diplomat. Under his command were the officers and men of many nations. Here was fertile ground for frictions and jealousies. Yet he inspired in them a spirit of teamwork and cooperation that in itself was an achievement of great magnitude.

Then came D-Day and the 11-month campaign that brought Germany to her knees.

Now, General "Ike" is back home with us as a conquering hero, but he continues to maintain the modesty and humility which have characterized him in all his achievements.

That this man will go down in history as one of the greatest military men is a foregone conclusion. But best of all he will be recorded not as a wanton conqueror or pillager, but as a great liberator of the enslaved.

Restaurants Are Hard Hit by Food Shortages

A food crisis, which has hit restaurants in other parts of the country in last few days, hit Daly City this week when the Theatre Grill closed its doors to remain closed until Friday, July 6.

Proprietor George Spoulos said the closing was partly because of food shortages, especially meat, and shortage of points, and partly to give employees a vacation over the Fourth of July holidays.

At present, other three of the "top of the hill" restaurants intend to follow their usual schedule. However, proprietors of all these places are distinctly worried over the situation, and warned their patrons to expect almost anything unless the situation is relieved.

"So many people, who ordinarily eat at home, fall back on the restaurants, when their own points run out," one of these proprietors said this week. "This really puts us on the spot, as our quota of points is based on our regular trade, and we simply do not have the supplies to handle this extra load. However, we will continue feeding them all, on a first come, first served basis, as long as we are able."

Meanwhile Redwood City war workers and others who had to be on the job Sunday mornings, were without a place to eat, this last weekend after Eureka Grill, the only county seat restaurant that opened early Sunday, closed its doors because of lack of points. Other Redwood City restaurants do not open until 10 a. m. Sundays.

However, this situation was relieved this week, when the Redwood Diner started in business. This place expects to open at 6 a. m. Sundays.

Meanwhile Associated Press reported that ten of the 12 leading restaurants in Mattoon, Illinois, as well as most of the smaller places were forced to close this week due to lack of points as well as a meat and potato shortage. Mattoon is a railroad junction point, as well as having several thousand transient war workers at present.

Local Man Hears From Relatives In Liberated Greece

The really serious condition of the people of Greece and other countries of southeastern Europe at the present time was forcibly brought home to John Sackoldasis, proprietor of the Daly City Coffee Shop and Mrs. Sacaldasis, recently.

Mrs. Sacaldasis has a brother who is a priest in the Greek church, and a sister, who is a nurse, still in that country. Some time ago, Sacaldasis sent them $100, and last week, he received a note of thanks from his brother and sister-in-law, in which they informed him all they were able to purchase with that amount was two pair of new shoes.

During their occupation of Greece, German soldiers stripped homes of all furniture and valuables, took the clothes literally off the backs of the Greek people, drove off all their livestock, and left the people almost naked and starving.

Since the Germans have been driven out, the British have done all in their power to aid the Greek people. Some farming machinery, seeds, and other needed articles were included in a recent lend-lease shipment sent by the United States through the British military rule.

Although his relatives did not state how they were able to obtain the new shoes, Sacaldasis believes they may have been a part of this shipment, or may have come from Egypt or some of the nearby Far Eastern countries.

One of the most desperate needs of the Greek people now is old clothes, and Greek societies and fraternal organizations in this country are now preparing to meet this need as soon as shipping facilities are opened to this kind of relief. At present, movement of allied troops and supplies from the European theatre to the Pacific zone of war has prevented any of these shipments, but word comes from Greece and other Balkan countries that Allied military commanders expect soon to open the shipping lanes for aid of this kind.

Returns Home From Hospital

His many friends will be glad to learn that F. P. Perry of 519 San Diego avenue, was able to return to his home this week, after more than a month at the Veterans' hospital at Fort Miley.

In a fall at his home in May, Perry suffered three fractured ribs and a bad bruise on his side. He has recovered sufficiently to get around quite well, and expects to again meet his many friends soon.

He is profuse in his thanks to those who sent flowers and other reminders of their friendship to the hospital.

Dahlquist Thanks Blood Bank for Aiding Recovery

John Dahlquist, Half Moon Bay fisherman, is recovering today at Community hospital after having 28 blood transfusions there.

Dalquist was skipper of the Tide Winds, a fishing boat, which today—a charred wreck—is at the bottom of the bay off Princeton Wharf on the San Mateo county coastside.

On May 17, he was cleaning his boat when a kerosene lamp exploded, sending a sheet of flame over him. His clothes were literally burned from his body before he leaped into the bay and swam ashore.

Taken to Community hospital, it was found that Dahlquist had been burned from head to toe and blood transfusions were necessary.

The San Mateo County Blood Bank in San Mateo answered the appeal made by Dr. Robert Chan of the hospital staff for plasma and whole blood. Time after time the blood bank sent the life-saving plasma and whole blood for Dahlquist.

Members of the King Solomon Lodge of Masons, San Francisco, to which Dahlquist belongs, have been to the county blood bank as donors, paying back in their own blood the amount taken from the reserve supply so that Dahlquist could have transfusions.

Dahlquist today praised the county blood bank, saying "This indeed is a wonderful institution, serving a worthy purpose. It is deserving of countywide support.

"The blood bank makes it possible for cases such as mine to secure immediately the necessary life-saving plasma and whole blood.

"It likewise maintains a reserve to take care of hundreds of cases at one time, should disaster strike our county. I shall devote a great deal of my time among my fellow citizens to secure more and more blood donors for the county blood bank."

NEWS OF OUR MEN and WOMEN IN UNIFORM

Charleston, S. C., Port of Embarkation, June 20—First Lieut. John F. Freund, 24, of Daly City, navigator of a heavy bomber crew with the 15th Army Air Force in Italy, arrived here today by transport plane en route home for 30 days.

Brigadier General James T. Duke, Commander of this Transportation Corps port, stated he will be on his way by train to a reception center near his home within 24 hours. He will be issued his leave papers there.

While here, he and other Air Forces men who arrived today were processed and then given a luncheon feast. Telephone and telegraph facilities were available for first calls home. After their 30 days home, almost all members of the group will be leaving for overseas again—this time to the Pacific.

Lieutenant Freund was inducted into the Army in October, 1940, and went overseas to a base in Italy in August, 1944. He has been awarded the following decorations: Distinguished Flying Cross and the Air Medal with five Oak Leaf Clusters.

His parents, Mr. and Mrs. Vincent Freund, live in Daly City at 199 Alexander avenue.

With the 84th Infantry Division in Europe — When seeking needed information from German civilians, it is often advisable to try speaking English, according to Pfc. John Schenone, jeep driver for Second Battalion, 335th Infantry.

Private Schenone, who lives in Colma, got lost in the maze of country roads that crisscross this section of Germany.

He saw a 10-year-old German boy standing at the roadside, and stopped to ask him directions.

"Vo ist da ze gosanagle," stammered Schenone, desperately attempting his best German. The boy gave him a blank, uncomprehending stare.

Just as he was about to leave, the German lad said in perfect English, "If you will speak in English I may be of some assistance."

Private Everett Maloney, grandson of Mrs. Ellen Yates, 140 Los Olivos avenue, left Friday, June 22, for Topeka, Kansas, on a redeployment assignment, after spending the major part of a 30 day furlough at the home of his grandmother.

This was Pvt. Maloney's second furlough in recent months. Arriving in San Francisco, April 15 after almost three years service in the Pacific war zone, he remained here until May 5, when he reported to a camp in Santa Ana, Calif. June 1, he was granted another 30 day furlough, to report to Topeka at the expiration.

He has been in service since June 1942, and has seen action in New Guinea, Netherlands East Indies, Dutch New Guinea and the Philippines. He is entitled to wear the Philippine, Asiatic and Good Conduct ribbons, and at present is credited with 84 points.

The 139th Finance Disbursing Section, Southampton, England—Troops now being redeployed to the United States or to other theatres of operations exchange their foreign currency for American dollars here.

Since D-Day finance technicians in the 139th Finance Disbursing section have dealt in all types of foreign currency.

This unit has also disbursed over six million dollars for the payment of Army Transportation Corps troops operating the 14th Port at Southampton.

A member of the unit is: Warrant Officer Edward W. Brooks, 28, 6716A Mission street, an assistant deputy disbursing officer.

Chaplain (Captain) John T. Redmon, whose home is at Daly City, reported recently for duty at the San Francisco Port of Embarkation, Army Transportation Corps installation. He was assigned to duty in the Port's Water Division.

Chaplain Redmon is the husband of Mrs. Laura Alice Redmon, 6843 Mission street, Daly City. He is a 1931 graduate of De Pauw University in Greencastle, Indiana. Prior to entering the Army he was a minister of the Methodist church.

With the 32nd Infantry Division in Northern Luzon, P. I.—Private First Class Angelo F. Cortopassi, son of Mr. and Mrs. Dario Cortopassi, who live at 56 Bismark street, Daly City, has been awarded the Combat Infantry Badge for exemplary conduct in combat.

In the service since July, 1944, Cortopossi trained at Camp Hood, Tex., before beginning overseas duty in the early part of '45. He is a veteran of the bitter fighting on Luzon. In addition to the Combat Badge, he holds the Asiatic-Pacific Ribbon and the Philippine Liberation Medal. His wife, Mrs. Fosca M. Cortopassi, lives at 63 Cotter street, San Francisco.

With the 321st Bomb Group in Italy—at a V-E Daly ceremony the 321st B-25 Mitchell Bomb Group of the 12th Air Force was presented its second War Department citation, highest honor attainable by a combat unit, and among those sharing honor is 1st Lieut. J. F. Freund who has served as a navigator with the twice-cited group.

His parents, Mr. and Mrs. V. F. Freund, live at 199 Alexander street, Daly City.

The official citation published in Washington lauds the B-25 unit for an attack against shipping in Toulon harbor three days following the invasion of southern France. The giant battleship "Strasbourg," cruiser "La Galissonneire" and a submarine had been moved into position to use their heavy guns against the Allied invading forces. In one smashing attack Mitchel bombers of the 321st sent all three warships to the bottom, an unprecedented feat in medium bombing annals.

One of the oldest bomb groups overseas, the 321st began combat in March, 1943, and played a major role in bringing about the final defeat of the German armies in Italy. In 897 missions the 321st sent out more than 18,000 Mitchel bombers to attack the enemy in Tunisia, the Mediterranean islands, Italy, the Balkans, France and Austria.

Jack D. Smith, (or shall we say Lieutenant Smith?), one of the first Daly City men to see actual combat against the enemy, received his wings on Wednesday, June 27 at graduation exercises held at Luke Field, Phoenix, Arizona following extensive training as an aviation cadet at Glendale and Tucson, Arizona.

Lieutenant Smith has seen six years of military service most of which were spent in the Pacific, North Africa, and the Middle East.

Prior to receiving his wings he served as an engineer gunner on an Army bomber.

Jack is entitled to wear the Silver Star received in 1942 following a bombing mission over Europe when his plane was damaged. He was awarded the Soldier's Medal for heroism in Egypt.

Lieutenant Smith is the son of Mrs. Mary Petiti, 474 Bellevue avenue.

Before entering the service he was employed at the Daly City Garage.

Seaman Second Class Jerry Swinyer enjoyed a five-day leave recently at the home of his parents Mr. and Mrs. A. Salazar, 150 Evergreen avenue.

He had to return to Virginia, where he took his boot training, and from there he will be sent to an outgoing unit and will be assigned a new station.

Upon leaving boot camp he received the rate of seaman second class. While in Virginia he visited historic Jamestown and Yorktown where he saw many famous relics including the bed where George Washington had once slept He was allowed to sit on one of the first president's chairs, but was more impressed by some Civil War artillery.

Jerry signed up in March of this year. He is one of the tallest men in his company being 6' 2".

While on leave Jerry became acquainted with his month old niece Karrol Linda Continolo, daughter of his sister, the former Evelyn Swinyer.

On Sunday, June 17, Staff Sergeant Frank X. Rivas jr., son of Mr. and Mrs. F. J. Rivas, 409 Vista Grande avenue, arrived home to spend a well-deserved 60-day furlough. Sergeant Rivas who has seen one year of overseas duty in the infantry was three times wounded and was a prisoner of Germany in France last summer for three days.

Serving in the European area he fought in the important battles of St. Lo, Bastonne, and Luxembourg. His first wounds were received in the battle of Luxembourg at which time he received the Bronze Star. He is also entitled to wear the Silver Star. Sergeant Rivas has been in the service since March, 1943. He received his basic training at Camp Hood, Texas. He is a graduate of Jefferson Union High school and was formerly employed at the Kaiser shipyard.

Just before arriving home on a 19-day furlough last week, John A. Mosman, son of Mr. and Mrs. J. Mosman, 232 Hillcrest drive, received the rating of sergeant.

Sergeant Mosman is a radar technician in the Marine Corps. He received his boot training at San Diego and for the past eight months has been at Corpus Christi, Texas.

After his furlough Sergeant Mosman will report to Miramar, California where he will wait for assignment to an air wing.

With the Second Engineer Special Brigade, Southern Luzon—A veteran of four years service in the canal zone and eight months in the Southwest Pacific, Private First Class John A. Redmond of the 592d Engineer Boat and Shore Regiment is eligible for discharge under the army demobilization plan. With a total of 114 points, 43 for overseas duty, 56 for length of service, and 15 for three major campaigns, it is likely that he will be a civilian in the near future.

Redmond entered the army in September, 1939 and in November of that year left for the Panama Canal zone. He served at Corazal as a staff driver for four years after which he went to the States for further training. In October, 1944 he was sent to the Pacific theater, where he saw action on New Guinea, Leyte and Luzon.

He wears the Asiatic Pacific theater ribbon with three battle stars, the Philippine Liberation ribbon and the American Defense ribbon.

His wife lives at 357 Winchester street, Daly City, and his parents at Balboa in the Canal zone.

According to information in a letter to his parents, Mr. and Mrs. Caesar Massoni of Market street, Colma, Corporal Leo Massoni expects to see his family again soon for the first time in two and a half years.

Corporal Massoni, a medical corpsman with the Fifth Army in Italy, has been in the service 29 months, 25 of them overseas. In his last letter to his parents, he stated he expected to be able to come home some time during the latter half of this year; probably on a furlough as his unit redeploys to the Pacific zone, but this he did not state.

Staff Sergeant Albert Ravera, husband of Mrs. Edith Ravera, 872 Brunswick street, returned to his home by plane Thursday, June 21 on a 30 day rotation furlough. He has spent the last 26 months with the U. S. Army Air Force in India. At the expiration of his furlough he will report to the redistribution center at Santa Monica.

Mrs. Ravera who has been ill for the past two months, part of which time was spent in a hospital, is now well on the road to recovery.

Major Grant Smith, son of Mr. and Mrs. Ronald Smith, 258 Templeton avenue, after a very eventful career in both the Pacific and European theatres of war came home Friday, June 22 on a 30 day rotation furlough. At the expiration of his furlough he will report to Santa Ana redistribution center.

Santa Barbara, Calif., June 22—Pfc. Raymond V. Huntington, 33, 222 Vista Grande avenue, Daly City, has reported to the Army Ground and Service Forces Redistribution Station here for assignment to new duties based on skills and experience gained during 36 months' duty in New Guinea and the Philippines.

The Redistribution Station, one of six established by the Army to receive service men and women considered essential to the prosecution of war, offers a comprehensive program of recreation, athletics, and entertainment to the returnee while he awaits new orders. Santa Barbara's famed vacation resort-hotels, now managed for the veterans by the Army, are under direction of the Ninth Service Command.

Sunday Dual Bill At Local Diamond Two Top Contests

Records of the four teams involved in the weekly doubleheader at Marchbanks park Sunday afternoon, July 1, indicate local fans may see some really classy baseball in the two games.

In the noon opener, the greatly strengthened Grosso Music nine will cross bats with Laundry Workers in a Baseball Managers' Summer league game, and at 2:30, Longshoremen, at full strength again, will face the U. S. Maritime Officers' Training School nine of Alameda.

Laundry Workers are tied for second place in the Summer league, one game behind Frank Newmans and will be out in full force to add Grosso's scalp to their string. Either Ernie Foge or "Lefty" O'Rouke will operate on the mound.

Grossos are out of the running for the first half championship but Manager Steve Balastreri has added several new players to his lineup in preparation for the second half of league play, which starts next month.

Last Sunday, the Grosso crew bumped off Ransome Co., one of Oakland's strongest teams, 15 to 6. Rudy Biale on the mound for the Music nine kept eight hits well scattered, while his mates slammed a total of 25 hits off two Oakland pitchers. Shortstop Allison led the way with five for six, and center fielder Domergue collected four. Balestreri, catcher Woods and Biale all connected for three hits.

Shortstop Mike Dalton will return to the Longshoremen lineup Sunday, and with "Lefty" Fieber at first, Tony Spina at second and Eddie Rose at third this should give Skipper Harry Maloney an airtight infield. Cianciolo who secured four hits in five times at bat against Simmons Co. last Sunday will play left field, with Frank Guglimetti in center and Manager Maloney in right. Either Houghton or McCarthy will work behind the plate, with Maloney's pitching selection indefinite this week.

Jack Rial, St. Peter's High lad who has worked several classy games for the Longshoremen will be back with the club, and Maloney said he was trying to lineup another classy hurler for Sunday's game.

Although beaten by the San Francisco U. S. Marines 8 to 2 last Sunday, the Maritime School nine showed plenty of ability and will no doubt give the Longshoremen all kinds of trouble.

Jack McCarthy, formerly with Sacramento in the Coast League will open on the mound for the Alamedans with veteran Mgr. Hal Fulmer behind the plate. Fulmer, a lieutenant in the Maritime service, is a veteran catcher of many years' experience in top minor leagues.

Remainder of the Maritime lineup includes George Higgins, left handed batting left fielder, who hits them plenty far when he connects, a fast infield of Bob Ray at third, Gene Kohn at short, Jim Fitzgerald at second and Leo Pasquini at first (this combination came up with two fast double plays against the Marines); and Vic Silva and Johnny Razzari to complete the outfield.

"OFF THE BLOTTER"

The usual problems of unruly children, family arguments, tavern brawls, disturbances, rock throwing youngsters, etc. etc. kept the Daly City police department busy the past week. However, the officers had nothing very serious to handle, nor as far as could be learned, did they receive any calls from an irate wife to come down and force hubby to take a bath, as did one department in a nearby city last week.

However, the department did have its "animal hunt." Receiving a call from Mrs. Mary Belli, 1143 Hanover street at 2:30 a. m. Thursday, June 21, that a loose cow was making her breakfast on valuable garden plants and shrubbery in the neighborhood, the "vaqueros" of the department, Officers Roland Petrocchi and August Benassini responded, lassoed "Bossy" and tied her to a telephone pole. The owner soon appeared and took "Bossy" home.

The same day, two reports of lost ration books were received at the police office in the City Hall. At 11 a. m., Mrs. Bertha Morgan of 170 Vista Grande avenue, reported the loss of ration book four belonging to Margaret Morgan, and books three and four owned by Mrs. Bertha and Joseph Morgan.

At 1:45 p. m., Alphonso De Ram of 164 Miriam street, reported the loss of his A gas ration book.

Sunday, June 24, at 3:23 p. m. Officer Henry Sundermann jr. found that several windows in the empty building owned by Mrs. Collopy and located between Mission and County streets on the south side of Market street, had been broken, probably by rocks thrown by children of the neighborhood.

Monday evening, June 26, two and half year old Larry Ferrell, became tired of the scenery around his home at 63 Mission Circle and decided to investigate the strange world outside.

But when he reached the neighborhood of Los Olivos and Santa Barbara avenues, he decided the world was a little big for him, so he trudged into the driveway of the apartment house at 64 Los Olivos avenue, where he was found by Mrs. Ella Harder, the landlady.

Taking the tired youngster into her apartment, Mrs. Harder summoned the police, and Officers James Welch and George Hopman responded and restored young Larry to his anxious mother.

Proceeds of the evening will go toward the building fund for the new church.

The public is invited to attend.

Canning Center At Junior College Now In Limelight

The canning center at San Mateo Junior college, designed to help the public preserve food in the war program, has now reached the point where it can remain open each weekday and several evenings a week if public demand warrants.

Housewives throughout the whole county are making use of the center, taking their produce and sugar to the cannery, putting it into cans, picking up and going home without having had the fuss, bother, and heat in their own kitchens. The cannery supplies equipment, including the cans, cooks the produce and then returns to each owner his own cans of vegetables or fruit.

Many residents in Daly City, Half Moon Bay, Redwood City, or more distant places, arrange for a group of friends to make the trip together. It is necessary to make appointments by contacting the canning center office, phone S.M. 4-3788.

The cannery now is working mainly on cherries, apricots, peas, and berries. Asparagus was popular during its season, while the pack of vegetables and fruit to date approaches the 9000 mark.

This service of food preservation works in another way also at the cannery, as the public can stretch its sugar by thinning the syrup and at the same time, can in safety.

The women instructors and the men operators are state licensed and the cannery meets all state requirements.

During the summer the college is running also several other adult center classes, plus a college class in chemistry and courses for the veterans from Dibble General hospital who come to the college five days a week.

Local Families Taking Vacations

The following Daly City families are taking advantage of vacation time and are spending one or two weeks away from home: Mr. and Mrs. Roy Beecher, and family 222 Miriam street; Mr. and Mrs. J. J. Dorrance, their daughter Diane and son Jack, 427 Irvington street and Mrs. Paul Williams and son Donald, 64 Miriam street, are vacationing at Boulder Creek. Miss Muriel Mooney, 263 Crocker avenue accompanied by her sister, Mrs. Anita Pitcher and daughter are spending the week at Hobergs in Lake county.

Lincoln High Boy Wins In Baseball Contest

Bob Di Pietro, husky young Abe Lincoln High outfielder, who, during the few months past, has been playing a lot of outfield and third base for the Gordon Realty nine in the Baseball Managers' Summer league, will make the trip to New York City in August to play in the 2nd annual All-American boys' game sponsored by Esquire magazine.

A committee of 13 former big league stars and high school coaches, headed by Tony "Poosh Em Up" Lazzeri, former Yankee infielder, selected Bob as the outstanding player among the 34 Bay Region lads taking part in Sunday's East Bay-West Bay All-Star game at Seals' stadium. Playing center field for the West Bay nine throughout the entire fifteen innings, young Di Pietro secured a triple, three singles and two walks in six trips to the batters' box.

Bob, who won 10 of the 13 first place votes, lives at 1015 Holloway street, and after his success had been announced was smothered with kisses by his mother, sister and six year old nephew, who were on hand to cheer his every effort.

Lou Marioni, whom Daly City fans remember as manager and catcher of the Daly City Juniors baseball team, almost became the game's goat, when he made a bad throw to second base, on a double steal, but came back to bat in the game's winning run in the 15th inning, with a single; Ed Sekins, big Burlingame High catcher-infielder, who played 3rd base in the closing innings for West Bay, scored the winning run after poling out a single; and there were plenty of others.

Girls of Troop 1 Hold Last Meeting For the Summer

On June 14 Girl Scouts of Troop No. 1 held their last regular meeting until the opening of school in the fall. As it was Flag Day, the meeting was opened with the Salute to the Flag and each girl took part in showing the proper way to display and care for the flag. This helped many of the girls to pass "Community Life" in order to work for their second class rank.

Troop No. 1 has planned several summer projects such as making scrapbooks for the USO and knitting for the Red Cross. A number of girls are going to attend a teen-age sewing club. Most of the troop will attend summer camp and day camp.

A Court of Awards was held and the following girls received awards for completed work:

Second class rank — Christine Quickert and Carley Carle; attendance star, Carley Carle; service bureau pins, Beverly Bruch and Janet Reynor; white service bureau ribbon, Carley Carle.

Games for the afternoon were planned by Eleanor Quickert and Alberta Smith. Following these activities, the girls were served ice cream.

This concluded their meeting and the girls took home the novelties they had made for Father's Day.

Marine Players Blank ONSD 6-0 For 15th Straight

With Generals Jenkinson and Smith, Marine commandants of the San Francisco area, looking on, and voicing their approval at the clever play of the entire team, San Francisco U. S. Marines whitewashed Oakland Naval Supply Depot nine, 6 to 0, in a 12th Naval District National league game at Marchbanks park Wednesday afternoon. This was the Marines' 15th successive victory, and set their league record at 10 wins and one defeat.

The Marines travel to Vallejo next Wednesday afternoon, July 4th, for their next league encounter, a contest with Vallejo Naval Dynamiters who are in second place in the league standing, two games behind the Marines. A Marine victory will cinch at least a tie for first place in the final standings for Coach Sgt. Don McShane's men. They will have only three more league games after next week.

Hitting and base running of shortstop Bob Tschida, hitting of Ed Russell and Wally Kremers and classy pitching by Ronnie De La Hunt, big southpaw, were highlights of Wednesday's game.

Tschida hit singles in each of his first four appearances at the plate, scored the first three Marine runs, mainly by really spectacular base running, and in addition helped De La Hunt out of his one bad spot by racing deep into left field to catch an almost certain Texas Leaguer and easily double a runner off second.

Russell batted in three runs with a double and single; Kremers secured a triple and two singles, batted in one run and scored another on the front end of a double steal. De La Hunt kept seven Oakland hits well scattered, struck out 12 batters, walked two and hit one.

For the first four innings, "Lefty" O'Rouke, visiting southpaw proved a problem to Marine batters with Tschida the only one to give him trouble. Bob scored the first Marine in the first with a sidngle, stolen base and Russell's single.

Tschida also made Marine run number two in the third. This time he beat out a bunt down the third base line for a single, took second on a wild pitch and raced all the way home on Joe Couvillion's infield hit, a slow roller over second that the Oakland shortstop got to but fumbled. Some sloppy work on the relay to the plate helped Tschida score.

Marines had their big inning in the fifth. Tschida led off with a hot drill through third for a base. Couvillion walked and Russell brought them both home with a double to right center. Kremers brought Russell across with a husky triple to deep center, and scored the sixth and final run on the front end of a double steal. "Buddy" Freese who had walked, helped Kremers out by delaying his steal of second, just long enough.

El Carmelo Parlor Hears Reports Of Committees

The last meeting of the term was a most interesting one for the members of El Carmelo Parlor No. 181, N.D.G.W. Due to government regulations which prohibit a general assembly, committee reports which are usually given at Grand Parlor were presented at this meeting.

The Homeless Children committee, under the chairmanship of Mrs. Lillian Colloty, reported a very successful whist party. The proceeds from this party plus the individual contributions of the members made it possible to send the central committee of Homeless Children the tidy sum of $97.50 toward the continuance of this worthwhile work.

As always, the Veterans' Welfare committee presented a most interesting report. Mrs. Lorraine Alvigi, chairman, told of visits made to the veterans' facilities at Palo Alto, where cigarettes, candies, and cookies (homemade and commercial) were distributed to the patients, many from World War II. The women patients were remembered with cosmetics, perfumes, costume jewelry and yardage from which they make articles for their personal use. Dibble General hospital received scrap books and old silk stockings for vocational therapy. Fleet Hospital No. 113, San Francisco needed ash trays and bud vases, so the call was answered by El Carmelo Parlor members, some 120 trays and vases were collected and sent. In addition about 95 chocolate candy bars went along to help cheer these boys.

The War Activities committee reported contributions had been sent to the state chairman toward the purchase of sun lamps for the boys in the Aleutian Islands. Mrs. Alice Aldham, chairman of this committee advised us that the total sale of stamps and bonds during the week of May 21 totaled close to $3,000. All purchases were made from members of the parlor. The committee also served as hostesses at the Daly City Servicemen's club, serving refreshments to from 35 to 70 boys during each evening.

The Extension of the Order committee announced an increase of 15 members for the term, with more applicants ready for the next initiation.

Social committee reports proved that the social hour enjoyed following the business meetings increased attendance and cemented friendships.

At the close of the meeting a delightful repast which had been prepared by President Margaret Steele was enjoyed by all. The tables were beautifully decorated with sweetpeas, pansies and roses.

Guests of honor were the newly initiated members and three members who were graduating from the local high school.

Mrs. Donofrio Is Installed as Grand Trustee of N.D.G.W.

Among several Bay Area women who were installed as grand officers of the Native Daughters of the Golden West recently was Mrs. Donofrio, 257 Hillcrest drive, Daly City who is a member of El Camelo Parlor No. 181, NDGW. She was one of the seven trustees installed at that time.

Installation of the officers was held at the Scottish Rite auditorium.

Many Visitors At Court St. Mary June Installation

Court St. Mary No. 1155, CDA held its annual installation Thursday evening, June 21 in the Blue room of the Masonic temple, 17 Hillcrest drive. A large membership was in attendance including many visiting members from various courts. The installation was executed under the supervision of the newly elected State Treasurer Miss Josephine Finerty, of Court Vellejo No. 818. Those installed to officiate during the ensuing term were the following: Grand Regent Mrs. Catherine Salisbery; Vice Grand Regent Mrs. Camille Clarke; Phophetess Mrs. Helen McDonough; Lecturer Mrs. Beth Powers; Historian Mrs. Frances Tamony; Financial Secretary Evelyn Weckerle; Treasurer Christina Michelsen; Monitor Mrs. Ida Forrest; Sentinel Mrs. Eileen Drexler; Organist Mrs. Hattie Kelly; Trustee Mrs. Marie Kemnitz and Mrs. Elizabeth Klinkner.

One of the most touching highlights of the evening was the presence of Monsignor John J. Cullens who, after wishing Court St. Mary continued success, urged and pleaded that they extend the courts by increasing the membership and starting new courts; that with the great influx of people many are only waiting to be approached.

The Court's chaplain, Father Adrian McKenna, wished success to the newly installed officers and the diligent appliance of the principles of the order to their daily lives. He also urged the Court to follow the advice given on increasing its membership.

Mrs. Christine Stephenson, hospitality chairman of the event, with her committee very efficiently made the social part of the evening an outstanding success.

The Court is in attendance at the local servicemen's club from June 24 through June 30, rendering the service of making coffee and supplying the refreshments for four hours each evening.

Among the honored guests of the evening was the out-going Grand Regent Helen Rode.

Marine Hurler Hurls Newells to 4-1 Win over Blues

Staff Sergeant Hampton Conn, one of the San Francisco U. S. Marines pitching aces, worked on the mound for Dan Newell's All-Stars of San Bruno against Bay Meadows Blues at San Mateo Sunday, and set the Blues down to their first defeat in several weeks, 4 to 1.

Conn kept eight San Mateo hits well scattered, in addition secured one of the ten hits his team secured off Walt Lister and Stan Botto. Two regular members of Gordon Realty team, shortstop Murphy and center fielder Boyce also played with the Newell nine.

With the Marines idle this weekend, because of an inventory job that will keep some of the boys busy, other members of the team who have the day off, will attempt to line up with various teams in the Bay area. Among this group are left fielder Joe Couvillion, shortstop Bob Tschida and Conn.

Shivering Fans See Doubleheader At Local Park

A hundred hardy baseball fans who sat shivering through Sunday's diamond doubleheader at Marchbanks park were treated to almost every kind of baseball in the books—and some kinds that aren't.

Anyway, San Francisco U. S. Marines took the rubber game of their series with Maritime Officers' Training School nine of Alameda 8 to 2 in the opening half. In the windup, Longshoremen skidded through to a 10 to 9 decision over Simmons Co.

The Marine-Maritime conflict was more or less orthodox, despite the former's easy victory. Sgt. Mike Duplinski, right handed ace of the Marine mound corps came up with another well-tossed game. He gave up only four hits, collected ten strikeouts and walked one batter.

Haywire support by the left side of the Marine infield in the sixth cost Mike a shutout. Second baseman "Buddy" Freese played hide and seek with an easy double play ball, and seconds later first sacker Gibbons dropped a throw from catcher Jenkins. The Alamedans followed with two singles, for their only runs. Only one other Maritimer got as far as third—via a walk and another wobble by Freese.

Freese made up for his erratic play in the field by hitting a triple and single in four efforts. In fact, most of the Marines fattened their averages at the expense of Jack McCarthy, rookie Cincinnati right hander on the mound for the Maritime crew.

Bob Tschida hit one for two—two walks and a sacrifice helping—Norris lined a double and single in four—Joe Couvillion maced two singles—big Ed Russell collected two doubles in five efforts—Wally Kremers in half the game, hit one for three—Frank Kozielski, who also played only half the contest, nicked a double and single in three—and Freese took four trips to garner his triple and single.

The Marines eased one run across the plate in each of the first and third innings, broke loose in the fourth and eighth, getting three tallies in each of these husky frames.

Some classy base running by Bob Tschida, Marine shortstop and leadoff batter in the first inning gave the early birds a thrill. Bob singled to start the Marine first inning and stole second. A minute or two later, Joe Couvillion grounded between first and second, and Tschida raced all the way home as pitcher McCarthy was slow in covering first on the play, dropping the toss when he did get there. Even had McCarthy held the ball for the out, Tschida would have easily scored, for he was two steps from the plate when the play was made at first.

It's plays of this kind that have enabled the Marines to pile up their long string of wins. Incidentally, the Leathernecks insist Sunday's victory was their fourteenth straight, they say number 13 was written in the books last week as their second team or "Gismos" dumped the 12th Naval District Headquarters nine 8 to 1 at Golden Gate park.

The Longshoremen-Simmons thing was an "oo-la-la." Outfielders kicked singles into doubles and triples—ground balls sped by the infielders, or out of their mitts at regular intervals—in between the Longsoremen racked up 17 hits and Simmons 7—but just to show they could play ball if they wanted to (or something) fielders came up with four double plays. Longshoremen infielders chalked up three of them.

Harry Maloney's gang got away nine runs to the good by scoring three times in the first, once in the second, four in the third and another in the fourth. Simmons got three of them back in the fifth when Tringali followed two batsmen and a walk with a double—and chased four runners around the bases in the seventh to make it 7 to 9.

Maybe the Longshoremen had a hunch in the last of the 8th. Anyway Cianciolo who secured four hits for the day, cracked out a single and circled on a walk and two infield outs for what eventually turned out to be the winning run.

Simmons players, who don't quit until the last out is put down in the scorebook, came up with two runs in the ninth, and had the tying run on second, when Fred Stromberg, pitching the last two innings for the Longshoremen finally succeeded in putting out the fire.

"Lefty" Fieber and Eddie Rose of Longshoremen hit safely three times each—one of Rose's a double. The two Micheluccis led the Simmons batters with two hits each.

Lola Mack and Sharon Doolen made the basket containers for candy and thereby passed their arts and crafts test.
crafts test.

Various games were played and before they adjourned the girls helped clean the kitchen.

$5 BILLION JACKPOT

American troops hit another "jackpot" in their search for the enormous loot which the Nazis acquired during the five years of their systematic robbery in Europe. This time the treasure hoard was uncovered at the Regensburg branch of the German Reichsbank and its value is said to be far above that of the first "strike"—the huge gold cache found some time ago in the Merken salt mine. The discovery was made by First Lieut. John J. Stack jr. of San Francisco, a fiscal officer of the 12th Corps. Among the loot were billions in securities representing much of the wealth of Austria. About 2,200 pounds of silver was also found, some of which apparently had been melted down from the jewelry of victims of the Dachau and Buchenwald death camps.

COUNCIL

(Continued from Page 1)

auctions were received by council and after some discussion, City Attorney Hoffman was ordered to draw up resolution accepting these warrants.

The discussion was caused by both warrants being for amounts more than was due the city for delinquent taxes and street assessments. One of the warrants was for $297.78 for sale of lot 19, block 26, Crocker tract and lot 3, block 4, Metropolis Homestead, sold by the county January 29, 1945. Total delinquent assessments on these lots was $215.05. The other warrant was for $284.46 realized from sale of lot 41, block 20, Resubdivision Union Park (blocks 20 to 24, inclusive) on which unpaid city assessments amounted to $253.13. This lot was sold April 9, 1945.

On a motion by Councilman Dennis, seconded by councilman McHugh, councilmen voted to purchase $15,000 in war bonds as the city's contribution to the Seventh War Loan drive.

Chairman Walter Lehigh of the local War Loan committee addressed the council, thanking it for its cooperation. In his talk, Chairman Lehigh said total "E" bond sales in the city as of Monday night amounted to $96,644.50, with purchases of other types of bonds amounting to $41,773 for a grand total of $138,417.50. At the time, Daly City was $57,882.50 short of its quota, Lehigh said.

Boys and girls work chairman, M. D. Battye of the Daly City-Colma Lions Club thanked the council in behalf of the Lions Club and the Boy Scouts of America for the active interest it has taken in the young people of Daly City. Battye also thanked the council for providing the present meeting place of Sea Scout Ship No. 141.

Request of Pacific Telephone and Telegraph company to install underground conduits at intersections of Hillside boulevard, and various streets in the new Edgewood Terrace subdivision was unanimously granted.

A communication from Frances W. Quillinan of 271 Woodrow street, in regards to obtaining a license to operate a taxi cab service in southern part of Daly City, with headquarters near Mission and Market streets, was taken under consideration, and City Clerk B. C. Ross ordered to notify Quillinan of that action.

Mayor Gaggero reported to the council regarding a meeting of San Mateo County Planning Commission held at Redwood City, Friday, June 15, which he attended. This meeting was to discuss War Memorials in San Mateo county.

After some discussion by Walter Lehigh, former Councilman Ed Cavagnaro, and City Engineer R. C. Klassen regarding Daly City's proposed War Memorial, during which it was brought out that in order to benefit by the 50 per cent allotment of the state to purchase a site, definite action must be taken by December 31, 1945, Gaggero said no appropriations have been made or funds set aside by San Mateo County Board of Supervisors, to pay the county's share of the cost. Since the councilmen felt nothing could be done by local officials until the Board of Supervisors acts, the matter was allowed to rest.

In regards to the retirement pension plan for all city employees under Civil Service, Councilman Dennis reported a communication had been sent to the State Retirement Pension Plan for a survey. To date no reply had been received.

Cavagnaro reminded council that some action must be taken on necessary revision of voting precincts, but that there was still plenty of time between now and the next election to act on this matter. Mayor Gaggero informed him the matter has been discussed by the councilmen and is now receiving the attention of the council.

A complaint from Charles Heggum concerning the scavenger service, in which he complained that garbagemen remove grass and broken shrubs from the cans and dump them in the streets and gutters, was referred to Fred Collins of the San Mateo County Health department for investigation. Heggum said that the garbagemen are very careful to collect all bottles, as they get five cents apiece for them.

Members of the city's official body who were present Monday night included Mayor A. J. Gaggero, councilmen Howard McHugh, John Craig, and Edward Dennis, City Attorney Hoffman, City Engineer R. C. Klassen and City Clerk B. C. Ross.

Teen-Age Center Proves Popular

As long as the teen-agers of Daly City continue to patronize the Teen Age center every Friday night during the summer as they did last Friday night, it is promised that the center will remain open.

The center has taken on a new look lately in the way of patriotic decorations. Several American flags are displayed along the walls with a picture of the late President Franklin D. Roosevelt on the side wall.

A plea for chesterfield cushions has been made by members of the center. Anyone desiring to donate them may call RAndolph 5376.

Ambulance Crew Not Quite So Busy

The local ambulance only had a couple of trips to make during the past week, in welcome comparison to the more than half dozen jaunts the boys handling it took the week before.

Saturday morning, June 23, Fred Mather and James Welsh removed Mr. Maggi of 138 Crocker avenue, to Mary's Help hospital. Call for the ambulance came from Dr. W. C. Lynch at 10:35 a. m.

Answering a call from a nurse at the Stoneson Brothers housing project on Hillside boulevard, Monday, June 25 at 4:53 p. m., Officer George Hopman responded and found William Rodgers, an employee, seriously ill. The ambulance was called and Rodgers removed to Alemany hospital by Dean Wood and James Smith, where doctors found him suffering from a bad case of ulcers. Rodgers, who is 67 years of age, lives at 1597 Jackson street, San Francisco.

Put 'em up!

Can ALL you can at home!

From now on through the bountiful fruit and berry season is a good time to practice the thrifty old Yankee custom of putting up food for the winter months. Can all you can, at home.

Make the most of your sugar allotment and put up jams and jellies and preserves. Some berries can be put up in natural juices without sugar. Or you can stretch your sugar allowance by the use of honey for sweetening.

If you plan to put up vegetables, remember the only safe canning method is with a pressure cooker. Do not use the boiling water bath methods for any vegetables, except tomatoes. When you can, do it right. Buy fresh, firm fruits and berries. Cook them right and seal them tight!

Many Incomplete Addresses Delay Mail for Sailors

There are "gremlins," "pixies," and "hex's"—and as far as mail is concerned, the Navy has its "nixies." Nixies are letters that are undeliverable due to incomplete, incorrect, or illegible addresses, and the fact that there are over 5,000 letters a day tossed into Nixie cases at Fleet Post Office, San Francisco, due to illegibility alone, means that there are a lot of lonely men who are waiting and wondering why their mail isn't coming through.

In the mail addresses of amphibious craft, the problem of legibility and transposition frequently occurs. In the first place, there are at least ten different types of craft — LSD (Landing Ship. Dock); LSV (Landing Ship, Vehicle); LCI (Landing Craft, Infantry—for more personnel). craft — LSD (Landing Ship, Medium); LCT (Landing Craft, Tank); LCS (Landing Craft, Support); LCI (L) Landing Craft,

Each of these types may have hundreds of different units numbering from 1 to 600. LCI No. 442 may be operating in the Pacific whereas LCT No. 442 may be in the Mediterranean. From reports at Fleet Records offices, "T's" and "I's" are often interchanged or are written so similarly that they are unreadable. In this particular instance, if the "I" was mistaken for a "T", the letters would go far out of the way and the delay would easily be several weeks.

Many people are under the impression that the Navy has one vessel called LST and they address their mail to the USS LST, Fleet Post Office, San Francisco. This is just like addressing mail to Main Street, USA.

In addressing Navy and Coast Guard personnel aboard ships, print his full name, and rank or rate; print the name of his ship—LST (Landing Ship, Tank) No. 442 (four four two); write out both designation and number. The last part of the address is either Fleet Post Office, San Francisco, or New York.

The Navy is vitally interested in getting mail to your boys and mail that is properly and legibly addressed is quickly dispatched to its desination. Despite the hazzards of war and weather, the Navy Mail Service has delivered letters to remote ships and stations with great efficiency.

Summertime Meals

"How cool you look!" is a compliment any hostess enjoys . . . and one that she will receive if she spends a minimum of time in the kitchen these days. It can be done without neglect to delicious meals. These suggestions point the way.

Jiffy Tomato Bouillon—To accompany cold meals. Dissolve 1 bouillon cube in each cup heated tomato juice.

Batter fried meats, fruits or vegetables—Make batter of prepared pancake flour, equal parts flour and liquid; use for dipping luncheon meats, vegetables and well-drained fruits. Fry in shallow fat.

Dessert Quickies—Use package puddings as quick filling for baked pastry or tart shells. Vary by adding chopped nut meats, grated chocolate or diced fruit.

Serve combined berries and thinly sliced oranges with toasted cake slices.

Recipe of the Week—

SUMMERTIME LUNCHEON SALAD

1 tbsp. unflavored gelatin
1 cup orange juice
½ cup hot water
2 tbsps. lemon juice
2 tbsps. sugar
1 cup sieved cottage cheese or
2 pkgs. cream cheese (3 oz.) and ¼ cup mayonnaise

Soften gelatin in ¼ cup of the orange juice in large bowl; add hot water; stir until dissolved. Add remaining orange juice, lemon juice, sugar, and cheese, mixing well. Pour into 1-qt. mold or 6 individual molds; chill until firm. To serve, unmold onto lettuce or spinach, and garnish with fresh fruits. Serves 6.

This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

Driver Training Course Arranged

In furtherance of the driver training program, through which high school students of California are being taught to become safe and competent motor vehicle operators, arrangements have been completed for a five-day teachers' institute, to be held at the University of California, July 23 to 27, inclusive. At the same time, special courses on driver selection and training will be offered to motor vehicle fleet operators.

The purpose of the teachers' institute is to supply sufficient instructors in driver education and training so that high schools throughout the state will be in a position to install courses for the benefit of boys and girls who are approaching legal driver age. It is expected that more than 200 schools will be represented by teachers, principals, or superintendents.

The institute will be sponsored jointly by the State Department of Motor Vehicles, the Division of Highways of the State Department of Public Works, the State Department of Education, the California State Automobile Association, and the University of California. National organizations which are supporting the program include the American Automobile association, the National Conservation Bureau, The Center for Safety Education of New York University, the Automobile Safety Foundation, the Automobile Manufacturers Association, and the National Safety Council.

Mrs. America Meets the War

Canned fruits packed in heavy syrup are out for the duration of the sugar shortage. By limiting the use of sugar for most fruits to the amount that is needed for what is called "high standard" quality, it will be possible to can more fruit with the sugar we have available. The syrup won't be as heavy, but it will preserve the color and flavor, and the fruit will be sweet. Sugar will be limited to other industrial users, too. There's going to be less ice cream, candy, jellies, soft drinks and other foods with a high sugar content. These reductions in sugar rations for industrial users are designed to distribute more evenly the short supply and insure sufficient amounts for civilians.

Budget your red points carefully, Mrs. America. Thoughtful planning and spending of red points will enable you to give your family well-balanced diet throughout the month. A too liberal use of points at the beginning of the month, when new stamps become good, may leave you high and dry at the end of the month, having to depend entirely on non-rationed foods for piece de resistance. Bolster your supply of red points by saving waste kitchen fats. Your butcher will give you two points for every pound you turn in to him, and you'll be contributing to the war effort at the same time.

The Price Panel is an important cog in the wartime price control machinery. It is composed of conscientious Americans . . . your neighbors . . . who are devoting their time to the vital task of preventing inflation. They get no reward except a feeling of having done their part. However, their job can be made easier if they have your cooperation. Remember to report to them any over-ceiling prices you've paid or been asked to pay. You can help, too, if you have same spare time, by volunteering your services to act as a Price Panel Assistant. Other volunteer workers are needed at local boards to help process applications for home canning sugar and other wartime rations.

Restrictions on gasoline rations for servicemen on furlough have been eased somewhat. Furlough rations will still be issued at the rate of a gallon a day, but the 30 gallon maximum has been revised. This will enable released American prisoners of war who get leave or temporary duty assignments for 60 days, and other overseas veterans who get more than 30 days' leave, to get a gallon a day for the entire length of their furlough, or temporary duty in this country. Here are three points for the serviceman to remember when he applies for furlough gasoline rations: (1) He may apply at any local War Price and Rationing Board, (2) He should bring along the mileage rationing record for the car to be used, and (3) He should be ready to show his furlough papers.

Buy That Stamp Now! Or Else - - -

Only 150,000 car owners in California out of an approximate 2,818,000, have purchased the Auto Use Tax Stamp, Collector of Internal Revenue James G. Smyth revealed recently in San Francisco. More than 30,000 stamps have been purchased by San Francisco car owners.

Unless car owners purchase the stamp immediately, the last minute rush may cause a long wait in line Smyth said.

The Auto Use Tax Stamp must be affixed on the windshield of all automobiles, regardless of age, or condition, model or make, passenger or commercial, using the public highways by July 1, Smyth said.

Stamps are now on sale at all post offices and internal revenue offices.

Facts About Ants

Male ants remain primitive, nonsocial creatures; the females are the ones who show "intelligence" and carry on the ancient ant societies.

Flavor Potatoes

For fine flavor in cooking potatoes for fish cakes, add half a clove of garlic to the water and discard before mashing the potatoes.
